Township Committee Liaison Monthly Reports

Committeewoman M. Syrnick, The Environmental Commission will be applying for another ANJEC grant in the amount of \$1,500 to work on a vegetated swale near where the tree planting occurred. They also discussed the Environmental Resource Inventory. The recent amended well ordinance approved by the Township's Board of Health was discussed. Members of the EC worked on the well ordinance 10 years ago. They have all the data, which they will provide for continued discussion at their meetings. The Environmental Commission asked the Township Engineer to write them a letter regarding the amended well ordinance.

Deputy Mayor T. Ciacciarelli, Noted a few personnel issues due to COVID-19 cases in the Township, which should be resolved by this coming Monday. The message for the main phone system for the municipal offices had a few problems and have been resolved by re-recording a new message for the main phone line.

Mayor R. Dodds, The Planning Board discussed the number of application copies being made for meetings. Mayor Dodds calls it "The tree saving act of 2021." The Planning Bd. agreed to change the amount of copies to be submitted to seven paper copies in place of twenty. Mayor Dodds explained the ordinance, which was introduced tonight will allow applicants to submit less copies. The ordinance will be in affect following the final publication of the ordinance following the adoption on May 6th, 2021.

On April 24th, 2021 there will be a free giveaway for the tree seedlings at the Horseshoe Bend Park beginning at 9:00a.m. – 1:00p.m. He noted there will be 1000 trees to give away.

Mayor Dodds noted that the Stormwater Management Ordinance was approved by the County today.

Discussion -TDR – Invoice from D. Roberts

There was a discussion what the state paid through a grant and the amount that was paid to professionals last year. C.F.O. Laudenbach explained additional bills have been submitted from D. Roberts and D. Banisch for the additional work needed to be done. The Township Committee discussed there needs to be a cap on the cost for the TDR Plan.

The Township Committee would like to discuss with the professionals a timeline on this project. It was requested the Township Attorney draw up a contract agreement with step payments. This will be reviewed at the next township meeting on May 6, 2021.

Green Acres Funding - Twp. Code

The Township Committee reviewed and discussed the language from the referendum for Green Acres Funding. There was a discussion if the funding would only be used for land or could it support other activities. The Township Attorney noted that most towns used the state statute to create their referendum. C.F.O. had questions regarding the funds which have been collected.

Request for Extension of Deadline Date 4/30/2021 to Take Unused Vacation Time from 2020

Township Committee reviewed the request from the Court Administrator for an extension of time to use unused vacation time from last year, which was carried over. The Township Committee approved the use of unused vacation time to the Court Administrator to be extended until August 1, 2021.

Discuss Attendee Limit at Horseshoe Bend Park Morton Building – Effective March 19, 2021

Deputy Mayor noted there's been a limited amount allowed in the Morton building at one time during COVID – 19. It was noted that 35% limit is currently still in effect at this time of the pandemic.

Dedicated Anonymous Line for Animal Cruelty Complaints

Deputy Mayor, Tom Ciacciarelli explained the ASPCA Law Enforcement Division was dis-banned by the Legislature and the Governor's action. Kingwood Township has the most reported animal cruelty in Hunterdon County. He suggested the Township consider adding an anonymous phone line so that the public would be able to report animal cruelty complaints. The Township Committee asked Diane Laudenbach to look into putting an additional line in the phone system for this cause.

Request/Approval - Flemington Jewish Community Center – Sponsoring Fourth Recreational In-Person Bicycling Event – “Farmland Ride” Sunday, June 13, 2021

The Township Committee reviewed the paperwork for the Farmland Ride. They requested that a clearer map be submitted to review of the ride through Kingwood.

It was moved by Mr. Ciacciarelli, seconded by Miss Syrnick and carried to approve the Farmland Ride in contingent on receiving an updated detailed map of the ride through Kingwood Township.

Memo from Kingwood Environmental Commission – Re: Proposed Resolution Opposing NJDOT Rockfall Mitigation Plan / Geological Heritage – Prepared by Gail Ashley, Environmental Comm. Member

Committeewoman Syrnick noted the Lower Delaware Scenic Byway has suggested all the townships in the County adopt this resolution.

RESOLUTION

The following Resolution was introduced:

Resolution No. 2021 - 56 Opposing Construction by the New Jersey Department of Transportation of Rockfall Mitigation Measures Designed to Hold Back Rocks Along Route 29 Without Completion of An Environmental Impact Statement, Public Hearings and Consultation with, and Approval from Kingwood Township, The National Park Service and the Delaware Scenic Byway Committee.

RESOLUTION NO. 2021 – 56

**TOWNSHIP OF KINGWOOD
HUNTERDON COUNTY, NEW JERSEY**

RESOLUTION OPPOSING CONSTRUCTION BY THE NEW JERSEY DEPARTMENT OF TRANSPORTATION OF ROCKFALL MITIGATION MEASURES DESIGNED TO HOLD BACK ROCKS ALONG ROUTE 29 WITHOUT COMPLETION OF AN ENVIRONMENT IMPACT STATEMENT, PUBLIC HEARINGS AND CONSULTATION WITH, AND APPROVAL FROM, KINGWOOD TOWNSHIP, THE NATIONAL PARK SERVICE AND THE DELAWARE SCENIC BYWAY COMMITTEE

WHEREAS, The New Jersey Department of Transportation intends to construct rockfall mitigation in Kingwood Township on cliffs adjacent to approximately 3 miles of Route 29 from Mile Post 27.3 near Byram to a point, north of the Devil's Tea Table locality, at Mile Post 30.43, including the removal of trees and vegetation, blasting on much of the rockface, rock removal and reinforcement, installing metal mesh or "draping" materials to the rockface, the creation of a new barrier or a "catchment ditch," and applying concrete to the smoothed rockface including to the Devil's Tea Table geologic structure, to keep rocks from falling onto Route 29; and

WHEREAS, an Open Public Records Act request revealed that NJDOT has no records of accidents or fatalities related to rockfall incidents along Route 29 in Kingwood Township; and

WHEREAS, spending Federal money to address a hypothetical safety problem where no accidents or injuries have been documented due to rockfalls in Kingwood Township, is a choice to ignore documented safety issues within Kingwood or elsewhere in the state (including in Overburdened Communities) where injuries and/or fatalities have in fact occurred and where the money could be spent more cost-effectively and equitably to prevent injuries and save lives; and

WHEREAS, the NJDOT has indicated the project should receive a "categorical exclusion" from any environmental assessment or environmental impact statement studies due to public safety issues, even though no accidents or fatalities have been documented due to rockfalls in Kingwood Township; and

WHEREAS, the lower Delaware River segments were designated a National Wild and Scenic River by Congress and President Bill Clinton in 2000; and

WHEREAS, the river bluffs from Byram to Devil's Tea Table are noted as having "remarkable scenic values" in the Lower Delaware Wild & Scenic River corridor; and

WHEREAS, the area parallels the Delaware River Scenic Byway, a designation by the USDOT, endorsed by the NJDOT, and subject to the Delaware River Corridor Management Plan; and

WHEREAS, the bluffs along Route 29 contain world famous outcrops of Triassic-age Lake cycles, known as Van Houten cycles, providing the textbook record of lake formation due to climate change in the Jurassic and Triassic Periods of the Mesozoic Era, and which could be considered "geologic heritage" due to possessing aesthetic, intrinsic or scientific and educational value, and providing unique insight into geological processes; and

WHEREAS, the Devil's Tea Table geologic formation also has unique local, historical and geological significance, and is believed to hold religious significance to Native American peoples; and

WHEREAS, the NJDEP Natural Heritage Priority Sites Coverage was created to identify critically important areas to conserve New Jersey's biological diversity, with particular emphasis on rare plant species and ecological communities, and the area known as Devil's Tea Table, including siltstone and shale cliff and adjacent dry woods overlooking the Delaware River, is designated by NJDEP as Natural Heritage Priority site number S.USNJHP1*203 because it "Contains an occurrence of a shale cliff natural community and populations of endangered and special concern plant species" and the area known as Byram cliffs and wooded rocky diabase hillside is site number S.USNJHP1*151 because it contains "One special concern plant species plus historically documented plant species"; and

WHEREAS, the project will also negatively impact rare, threatened and endangered plants and wildlife including American Bald Eagles, copperheads, and several species of bats and fish; and

WHEREAS, residents living in Kingwood Township, anyone driving on the Delaware Scenic Highway (Route 29) and anyone hiking or biking on the adjacent state park trail, and anyone boating, fishing, tubing, or swimming in the Lower Delaware Wild and Scenic River will see a very different, industrial-looking rockface after the mitigation project is complete; and

WHEREAS, the loss of scenic value will negatively impact tourism businesses, recreational value and the local economy of River Towns surrounding Kingwood Township; and

WHEREAS, the loss of scenic value could negatively affect property values in Kingwood Townships; and

WHEREAS, all residents in Kingwood rely on private wells and septic systems and blasting and removal of cliffs risks damaging wells, septic systems and homes of residents in the area, polluting ground water and altering ground water flow so as to destroy irreplaceable water supplies; and

WHEREAS, Route 29 is the north-south commuting route in the area and the project will cause significant traffic delays and detours for several months or years during construction; and

WHEREAS, Governor DiFrancesco in 2011 signed into law a ban on regional and interstate 102-inch wide trucks — the typical tractor trailer truck on Route 29 through Lambertville, Stockton and Frenchtown thereby reducing commercial traffic and safety concerns; and

WHEREAS, for over 100 years, the Boy Scouts of America Order of the Arrow has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives and in August of 1915, E. Urner Goodman kept the first Vigil Honor ceremony of the Order of the Arrow on a rocky outcrop overlooking Treasure Island at a place called the "Devil's Tea Table"; and

WHEREAS, the archaeological record the Kingwood Township Route 29 corridor revealed artifacts of Indians and prehistoric man inhabiting this portion of the river corridor dating from 6500 B.C. through the 1700's, when the Turtle clan of the Lenapi Indians occupied the area; and

WHEREAS, when and if complete, the mitigation as planned will radically change the visual nature of the river valley in the area, forever; and

WHEREAS, the rockfall project appears to be lacking sufficient study and analysis including a full and comprehensive traffic study, a historic/archeological impact study, a Delaware River Wild and Scenic River visual and environmental impact study, Scenic Byway visual impact study and an Environmental Impact Study; and

WHEREAS, the NJDOT appears to have selected a preferred alternative without the concurrence of local officials and stakeholders in the bi-state region; and

WHEREAS, concurrence on the NJDOT preferred alternative has not been obtained from the National Park Service, the NJ State Department of Parks and Forestry, the NJDEP Land Use Regulation Program, or the Delaware River Basin Commission; and

WHEREAS, alternatives to mitigate the purported rockfall problem have not been presented in a meaningful way in which they can be discussed and vetted thoroughly and thoughtfully with the stakeholders in the region; and

WHEREAS, NJDOT installed a fence with a similar purpose along a formerly scenic stretch of Route 46 in Knowlton Township with no consultation with the Township on the design and without public hearings; and

WHEREAS, the Route 46 project resulted in the erection of a fence that is extremely unpopular among the residents of Knowlton Township because of its size, cost, design and lack of aesthetic appeal and because most residents felt it was not needed; and

WHEREAS, The Township Committee of Kingwood Township would like to avoid a similar debacle along a designated scenic byway stretch of Route 29;

NOW, THEREFORE, BE IT RESOLVED on this 1st day of April 2021, by the Township of Kingwood in Hunterdon County, State of New Jersey,

- that the NJDOT rank, using transparent, publicly-available ranking criteria, all transportation safety projects in the state to determine where Federal monies are most cost-effectively and equitably spent to protect public safety,
- that the NJDOT complete an Environmental Impact Statement,
- that the NJDOT evaluate less impactful options,
- that the NJDOT consult with Kingwood Township, New Jersey Division of Parks and Forestry, the National Park Service and Scenic Byway Committee and residents to determine if mitigation is needed and, if it is deemed to be needed, consult on the design of the mitigation in order to create a design that is acceptable to all parties and
- that the NJDOT hold public hearings to gauge the feelings of the public for the project and
- that the NJDOT agree to proceed with the project only under the condition that it is approved by Kingwood Township and the National Park Service and Scenic Byway Committee.

It was moved by Mr. Ciacciarelli, seconded by Miss Syrnick and carried to adopt the foregoing Resolution.

Memorandum from Twp. Attorney – K. Campbell – Cannabis Regulations

Attorney K. Campbell – Reported that Marijuana has been legalized in New Jersey. She reviewed a memo she sent the Township Committee. She explained that the State is still figuring out the rules for the different licensing. The Township has a deadline until August 22, 2021 to decide how the Township would like to zone cannabis businesses within the municipality. She reviewed the memo, which explained 6 different types of licenses. These decisions should be prior to what the rules are from the State. If the Township decides to do nothing by August 22, 2021, the Township will automatically be opted in with all the businesses for 5 years. Then the Township will not be able to make any changes. At the end of 5 years the Township could opt out. The five types of licenses, not including retail will be a permitted use in all the Township's industrial zones. The retail will be a conditional use in all commercial and retail zones. The local cannabis tax is what the Township can collect in taxes.

The State has a sample ordinance to opt-out if the Township chooses. The Township Committee would like more information on this before the next meeting.

If the Township allows any of these uses, it must go before the Township's Planning Board. Attorney K. Campbell noted an ordinance should be introduced by June or July.

Mayor Dodds suggested the Township have a zoom meeting to have the public's input on this idea regarding allowing cannabis businesses in the Township.

RESOLUTION

The following Resolution was introduced:

Resolution No. 2021 – 57 Support of An Application to the New Jersey Historic Preservation Fund for a Capital Preservation Grant for the William Lindsay White House at Horseshoe Bend Park

RESOLUTION NO. 2021 – 57

Letter from Statewide Insurance Fund. – Re: Proposed NJ Legislation Senate Bill S3375 Will Significantly Affect Employees in Workman’s Compensation Matters

Deputy Mayor Ciacciarelli explained Senate Bill S3375.

RESOLUTION

Resolution No. 2021 - 58 Opposition to Senate Bill S3375

The following Resolution was introduced:

RESOLUTION NO. 2021 - 58

RESOLUTON IN OPPOSITION TO SENATE BILL S3375

WHEREAS The Statewide Insurance Fund (“Fund”) was created to provide a cost-efficient means of supplying workers’ compensation benefits to injured municipal and other public employees including emergency volunteers; and

WHEREAS, the Fund is not a traditional, profit-making insurance company, but rather is composed of individual municipalities, counties, municipal utilities authorities and other local government entities whose budges are all funded by taxpayer or public rate payers; and

WHEREAS, because the Fund's members are funded, in large, by tax dollars, and because the Fund has determined that Senate Bill 3375 will increase workers compensation costs drastically, creating an undo burden to the taxpayers and rate payers of its members; and

WHEREAS, Senate Bill 3375 requires significant changes to the Workers' Compensation Act where current law already has provisions in place to protect injured workers from claim abuse and requires all reasonable and necessary medical care be provided in a timely manner, subject to penalty; and

WHEREAS, Any communications between the patient, a physician, a joint insurance fund, an insurance carrier and its representative, are already governed by Court Rules, the rules of evidence, and both medical and legal ethical standards; and

WHEREAS the hallmark of the New Jersey Workers Compensation Act is the obligation of the employer to provide medical benefits to an injured worker, as long as the injury or illness arises out of and in the course of employment, tantamount with the obligation to provide medical care, is the employer's statutory right to authorize the medical provider and the treatment to be administered. This bill would do nothing more than shift the entire balance of an already equitable system, to one side, to the detriment and greater cost of the employer.

WHEREAS Senate Bill 3375 will not serve the interest of the taxpayers and rate payers in New Jersey because it will increase the costs associated with workers' compensation claims be at least 35% and these costs will be borne by the taxpayers of individual municipalities, counties, municipal utilities authorities and other public rate payers.

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Kingwood strongly opposes the adoption of Senate Bill 3375 and urges the Governor, State Senators and Assemblymen to protect taxpayers and rate payers from unnecessary and unwarranted charges; and

NOW, THEREFORE, BE IT FURTHER RESOLVED that a copy of this resolution be sent to the following:

1. The Honorable Phillip Murphy, Governor;
2. Members of the New Jersey State Senate;
3. Members of the New Jersey State Assembly;
4. Statewide Insurance Fund

Frank Floyd, President of the Kingwood Volunteer Fire Company asked if the Township moved over to Raritan Twp. for fire inspections. Deputy Mayor Ciacciarelli explained he has been in contact with the Governor's office since last year and was informed that this will be brought up in April at their board meetings. He hopes to have more information next month.

Frank Floyd noted he sent a sample resolution to the Township Attorney, which would allow the President of the Fire Company to make agreements with mutual aid agencies out of the state. He explained that several fire companies along the river are adopting this resolution.

The Township Attorney to prepare a resolution for next month.
